a. Twelve (12) community sanction violation points are assessed for the violation and for each successive violation of felony probation or community control where:

b. Twenty-four (24) community sanction violation points are assessed for the violation and for each successive violation of felony probation or community control where the violation includes a new felony conviction.

Multiple counts of community sanction violations before the sentencing court shall not be a basis for multiplying the assessment of community sanction violation points.

Prior capital felony points: If the offender has one or more prior capital felonies in the offender's criminal record, points shall be added to the subtotal sentence points of the offender equal to twice the number of points the offender receives for the primary offense and any additional offense.
